New initiatives:***Vidyaan (Student App)***

- *New student portal for online access of the resources and to have complete online transaction with the institution is in pipeline.*

Myawaki Forests:

- The Madura College has developed Myawaki Forests in an area of approximately 1.25 acre in the campus.
- Afforestation is a process by which forests are created in a piece of land afresh.
- In this method, well-grown saplings are densely planted.
- Thus, about 5000 saplings of 150 different species of mostly local plants have been maintained.

At this juncture, the entire faculty thanks the management for their financial and moral support for all the new initiatives.

Regular Activities:

Monthly meetings of College council, Heads of the Department are conducted to discuss academic and non-academic activities to realize the goals of the institution. Feedback registered by the students is circulated to the faculty to know their strength and weakness and to improve their academic role. The college administration also shows keen interest in the suggestions forwarded by the students and to maintain the legacy of the Madura college having concern over its major stake holders 'Students'. Same is the importance given to feedback from alumni and parents.

List of Common Activities in the College:

The college organized various statutory and non-statutory programmes for the benefit of the students, teachers and the institution as a whole. As per the directions of UGC this year a week long Induction Programme for freshers (I-year UG students) was organized. This programme is to help new students adjust and feel comfortable in the new environment, inculcate in them the ethos and culture of the institution, help them build bonds with other students and faculty members, and expose them to a sense of larger purpose and self exploration. Information and Communications Technology (ICT) can impact student learning when teachers are digitally literate and understand how to integrate it into curriculum. To train faculty on the use a diverse set of ICT tools to communicate, create, disseminate, store, and manage information several training programmes on the use of ICT tools to faculty were organized

Students Credits:

Education is a broad concept that surpasses the four walls of a classroom. The core aim of education is to foster all round development. For all round development importance is given for co-curricular activities side by side with the curricular activities. At Madura College, students are not only focused on academics but also groomed in all dimensions required to compete in fast growing technological world. I appreciate the amazing efforts taken by our students to excel in curricular, co curricular and extracurricular activities

Seminars organized by the Depts:

The basic objective of organizing seminar/conference in a higher education institution is to bring together academicians and experts from different parts of the country and beyond to exchange knowledge and ideas. This will provide an occasion for indepth analysis of subjects and update the knowledge of the participants. All the departments organized UGC sponsored National and International seminars on various topics relevant to current scenario. Eminent speakers from institution of repute were invited to deliver talk.

Extension and Outreach Programmes(CSR): College Social Responsibility:

In alignment with the University Grants Commission, the college, has recognized the relevance and importance of the purposes and practice to 'Extension' as integral to the process of learning. UGC expects colleges, give students their knowledge, human resources and infrastructure, to make positive change – makers who would empower the marginalized of the society. To sensitize the students to develop social values, spread their responsibilities and wider knowledge in societal issues and problems, we make them to involve with the community people. Through this, we join hands with the government and local community organization and serve the community. Last year we were selected by the Govt. of Tamilnadu with a funding of one lakh to educate the villagers from 5 different villages to be self-employable and this year Under the scheme of Unnat Bharat Abhiyan the college has

adopted five villages viz., Erkudi, Sambakudi, Pudukulam, Thuvariman and Vadivelkarai. The college will co-ordinate with Govt. officials and take part in the Gramasabha meeting and developmental activities in these villages
