S.No	Name and designation	Topic of Talk	Remarks
1	Dr. G. KUMARESAN Professor, Head & Chairperson Department of Genetics, School of Biological Sciences, Madurai Kamaraj University, Madurai.	<i>'Research Funding and Fellowships'</i>	-

10. Brief the proceedings of the programme along with some photographs

A Special Lecture on “Research Funding and Fellowships” was organized by the Research Committee of our College on 3rd March 2020 in the Seminar Hall at 2.00 PM. Dr. V. Ananthaswamy, Assistant Professor of Mathematics welcomed the gathering and Dr. R, Eswaran, Assistant Professor of Zoology introduced the theme of lecture and also introduced the chief guest Dr. G. Kumaresan. The lecture was inaugurated and felicitated by the Dr. K. Muthuvel, Vice-Principal, Madura College.

Dr. G. Kumaresan, Professor and Head Department of Genetics, Chairman, School of Biological Sciences, gave a bird eye view of funding Agencies in India for granting nature of project proposals in Science and Technology and social sciences. He has given exhaustive list of granting agencies in

National and International funding programs. He also explained the available funding opportunities primarily for Indian researcher for promotion of short term or long-term projects. Big initiative programs and funding systems are also available for Indian researchers if they collaborate with first class research institutions, he said. Dr. G. Kumaresan explained further on types of fellowships for teaching faculties in college and universities and also women scientists. He mentioned about generous granting to science and technology projects in some important granting agencies of Government of India like AICTE, CSIR, SERB, AYUSH, DST, ICMR, INSA, etc. Apart from funding for research projects, Funding to equip technical institutions with modern infra-structure facilities in laboratory/computing facilities to enhance functional efficiency for teaching, training and research purposes also given by the above-mentioned national agencies, he added. Finally, he encouraged the faculty for submitting the project proposals to various funding agencies. A formal cote of thank delivered by Dr. S. Karuppusamy, Assistant Professor, Department of Botany.
