The Department of Physics organized an extension programme at Arulmigu Andavar Subramaniaswamy Girls Higher Secondary School at Thirupparankundram on 08/10/2018. The extension activity was purported to offer hands on training to students of Standard XI, who come under the new revised curriculum for Higher Secondary classes introduced by the Board of Higher Secondary Education, Govt. of Tamilnadu. Dr.K.Neyvasagam and Mr.S.Sivaramakrishnan of the department of physics co-ordinated the event with 12 student volunteers of M.Sc. Physics. Experiments prescribed for Standard XI was demonstrated to the students. The students were also given time to do the experiments hands-on. A total of 44 students of the school benefitted from the programme.

As per oral request made by the PGT of the school concerned, a second extension activity for Standard XII students was organized on 31/10/2018 to offer hands-on training on Class XII optics experiments at the same school. All students of class XII benefitted from the programme.

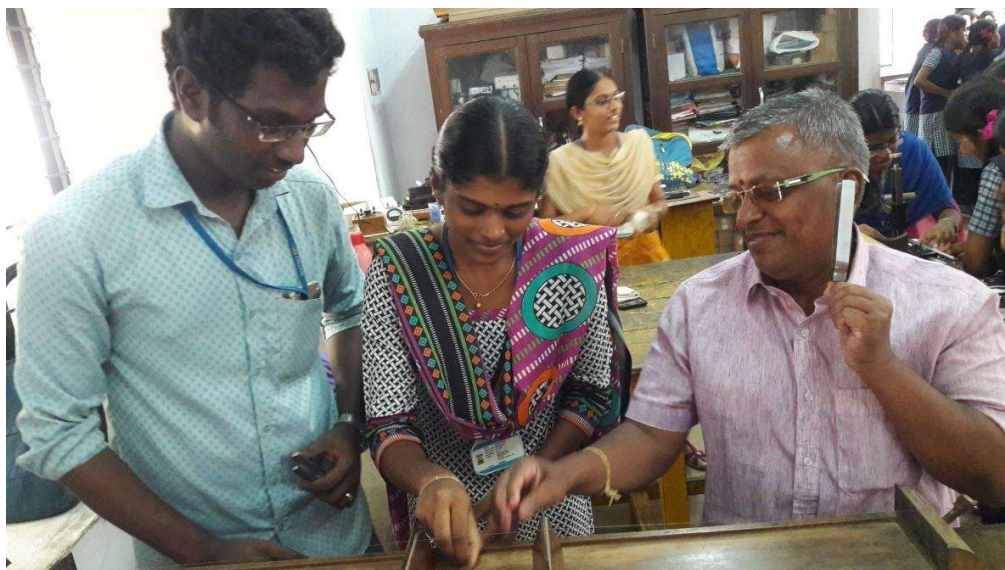

Written feedback was obtained from the students.
